## ABOUT THE SHOW

Voted Best Comedy for Couples, *Sex Tips for Straight Women from a Gay Man* has been sharing its interactive, upbeat brand of comedy with theater audiences all across America for over five years!

This romantic comedy takes the audience on a hilarious and wild ride where no topic is taboo and the insider 'tips' come straight from the source: a gay man. The play is set at a local university auditorium where the English department holds its

monthly meet the authors event. Robyn is the shy and studious moderator of the event and this month's featured author is Dan Anderson of *Sex Tips for Straight Women from a Gay Man*. With the help of a hunky staged assistant named Stefan, Dan aims to turn this meet the authors event upside down with a highly theatrical, audience interactive sex tip seminar. Will Stefan's muscles be used for more than moving heavy scenery? Will the power of Dan's tips prove too titillating for even Robyn to resist? As with everything at this event...that is for Dan to know, and you to find out!

Utilizing a clever design of multi-purpose props and projections, the scenic elements for the production are intended to be flexible and portable, maximizing the potential for touring and sit-down productions in various venues.

The secret to our extraordinary success is our broad audience appeal. *Sex Tips* attracts audiences young and old, straight and gay, couples either married or dating, theatergoers and comedy lovers, and any group looking for a frisky, fun night out.

*The play is approximately 75 minutes and is performed without an intermission.*
